show no sign of weakening. Veal shoulders have advanced 2 cents a pound, standing today at 20 cents, and this is the only change noted in the butcher's products. Pork products also remain just where they have been for the past twenty days, and the vegetable market is equally firm.

Fish, however, especially those varieties coming from the Potomac, show a strong advance, due to the steady rains of the past several days. Sea bass has jumped to 15 cents from 10 cents, striped bass is quoted at the same figure, and Petomac bass is worth 25 cents today instead of 20 cents, as last week. Perch has advanced from 12½ cents to 15 and 18 cents. Practically all other varieties have advanced on the wholesale market, but not enough to affect the retail prices. Eight-year-old Tudel Evit was found yesterday morning after an all-night search by his parents, who reside at 820 Sixth street northwest. The boy's family notified the Anacostia police to hunt for him first in Anacostia. He had been in the habit of coming here to visit a clothing store proprietor. He was not found at the store, so at 2 o'clock yesterday morning Police Headquarters was called upon to institute a search for the missing lad throughout the city. He was found yesterday morning at 7 o'clock in a vacant house, where he had passed the night with other boys. The house is around the corner from his home. He would not tell what induced him to remain away.

Noon hour services for the workers at the steel plant of the Washington Steel and Ordnance Company at Glesboro have been resumed. The Young Men's Christian Association of the city is conducting them weekly, as heretofore. Indoor meetings were held yesterday on account of the unfavorable weather. The Rev. A Song of Pabst "Blue Ribbon" Beer

"'T is a drink for the gods," and my sweet ladye fayre, Raised a glass to her ripe, rosy lips,— And honeybee-like, on a hollyhock spike,— She daintily sips and sips:

"I drink to your health, to joy and to wealth, To years of delight and of cheer; And to this I drink,—bid your glasses to clink,— To PABST FAMOUS 'BLUE RIBBON' BEER."

"As water that springs from the hillside and sings, And laughs its way down to the glade,-Just as pure this beer, so drink without fear, For 't is best the world ever made.

'T is science, and art, 't is conscience, the heart, With nothing to shun nor to fear,— Drink once more to my toast, the Nation's great boast, PABST FAMOUS 'BLUE RIBBON' BEER."

Bottled only at the brewery in crystal clear bottles, showing at a glance that it is clean and pure.
